- Feb 18No School
- Feb 20Bedtime Stories @ 6:00pm
- Feb 21Fang Visits Martin Luther
- Feb 23Family Movie @ ML @ 3:00

From the Principal

School Choice Application Sessions

I am planning on having a bunch of sessions this upcoming week because I want parents to feel comfortable knowing more about the program and I want to show how easy it is to apply. A side benefit is that I can also explain the huge blessing this program is to you and Martin Luther. A parent that was at the first one was blown away by how awesome this is not only for families, but also for our school. Just to use estimating numbers, if a family has a Kindergartner and that student goes through FVL for high school, the family would save about \$45,000 in tuition over the course of thirteen years. Wouldn't it be worth it to make it work financially so you could apply?

Feb 14-15 Teachers' Conference

There were a few calendars that were published that had the incorrect dates for the teachers' conference in February. The correct dates are February 14 and 15. Sorry for the confusion.

ML School Wish List

I know there are a few items on this list that are on the pricy side. If you have \$1, \$5, \$10, or any other amount that you would like to donate towards a project, that works too! Please do not feel like you have to put in 100% for an item on this wish list. Remember to speak with the classroom teacher or myself if you would like to donate any of the items!

February 23rd- Family Movie Matinee in the Martin Luther Gym at 3 p.m. More info coming soon!

March 10th- Family Night at Funset Boulevard at 4 p.m. More info to come!

Pennies for Patients

We are in our first full week of Pennies for Patients. As of Monday, 3 students have completed their first mission by creating their online giving pages. Many other students brought in the coins and dollars they collected over the weekend. The Leukemia and Lymphoma Society's mission is to cure leukemia, lymphoma, Hodgkin's disease, and myeloma and improve the quality of life of patients and their families. Donations help families of patients pay for medicines, medications, and other expenses and also fund research focused on finding a cure. Every donation helps!! Our Pennies for Patients program runs until February 13th.
